# Vitamin C + HA3 Daily Serum samples

**Fresh-mix sample packs** make it simple for customers to try this high-performance brightening serum before they buy full size. Now with 2x the vitamin C, 2.4x more antioxidant power and 3 types of hyaluronic acid compared to the previous formula!

*Samples available to IBOs only.*

HOW TO USE:

## 3 SIMPLE STEPS

1

### PUSH

Press this button for the freshest product possible. Here's the deal: the vitamin C is the perimeter, and the HA3 is IN the button! Push for easy, fresh mixing.

2

### MIX

Massage the sample for at least 60 seconds or until you no longer feel any grittiness, to activate and evenly combine powder and serum.

3

### USE

Tear at perforated line to open. Place 4-5 drops of the activated serum onto the palm, then apply to face with fingertips.
