eSpring & Perfect Water

eSpring™ UV Water Purifier – Below Counter Model with Designer Faucet Kit

Item # 118384 - 1 Water Purifier

Perfect Empowered Drinking Water®

Item # 285375 - Twenty-four 500 mL/16.9 fl. oz. Bottles

Optimize your hydration

A refreshing drinking water infused with MBO®*, a proprietary process that stabilizes oxygen in the water.

- Uses a 15-step purification process to remove contaminants and ensure purity.
- Is purified, remineralized, ionized, microstructured, and oxygen rich.
- Infuses each bottle with molecular bound oxygen (MBO®*), which enhances bio-available oxygen.

Sports Twist Tubes

SKU# 305555 Raspberry Lemonade

SKU# 110390 Fruit Punch

XS Sports Twist Tubes help replace crucial electrolytes for balanced hydration. It's a combination of four B vitamins and selenium that helps fight unwanted free radicals. You don't have to workout to use this product. It's low in sugar and carbs and is a refreshing drink anytime (especially if you have been sweating, like working in the yard). It's also very easy to sample this product.

XS™ Sports Twist Tubes Raspberry Lemonade Item #305555 Fruit Punch Item #110390

REPLENISH ELECTROLYTES ON THE GO – A delicious and refreshing hydration supplement with B vitamins, selenium and just 5 g of sugar that's designed to help prep your body for any adventure.

Provides balanced hydration.

XS™ Sports Twist Tubes leave water in the dust by replacing crucial electrolytes and supplying quick energy to muscles.†

- Packed with a unique blend called B-Lenium, a combo of B vitamins and selenium that helps fight unwanted free radicals.†
- Make a refreshing sports drink with the extras you need and nothing you don't.
- Perfect for hydration on the go – simply add to water.
- 5 g of sugar per twist tube.
