**NUTRILITE™**

*Hosted by Diana Boyd & Mary Roberts*

An aerial photograph of a vast agricultural landscape. In the foreground, there are large, rectangular fields of green crops, likely corn or soybeans. A prominent feature is a large, rectangular field of purple flowers, possibly lavender, situated in the middle ground. The background shows rolling green hills and mountains under a soft, hazy sky, suggesting a rural or mountainous region. The overall scene is peaceful and emphasizes natural, organic farming.
